NEW BRUNSWICK PARKING AUTHORITY

JOB POSITING

Position: Parking Services Supervisor
Full-Time

The New Brunswick Parking Authority has a position available for a full-time Parking Services Supervisor. The position is responsible for overseeing the parking services daily activities at NBPA facilities and properties.

Parking Services Supervisors lead, direct and manage Parking Services Attendants in order to accomplish duties, tasks and follow procedures. The responsibilities of this position include supervising, training and evaluating Parking Services Attendants. Parking Services Supervisors assign and schedule work and implement departmental programs, policies and procedures.

Candidates must have a flexible schedule. Candidates should have a minimum of 1-year experience in customer service and 1-year experience in security. It is required that candidates have a valid driver's license.

Extensive benefit package offered.

Interested candidates must submit their resume with salary requirements.
